# NXP Semiconductors

Layerscape LS1028A Processor supports CC-Link IE TSN

- CC-Link IE TSN Master Class B Certified

- Arm® Cortex®-A72 core offers higher single thread performance

- Dual-core, Up to 1.5 GHz

- Integrated 4-port TSN switch and one TSN controller

- 2x PCIe 3.0 ports, 2x USB 3.0 ports

- 3D GPU for HMI applications

- Secure boot support
