SILA Embedded Solutions GmbH

CC-LINK IE TSN REMOTE SDK

CC-Link IE TSN STM32

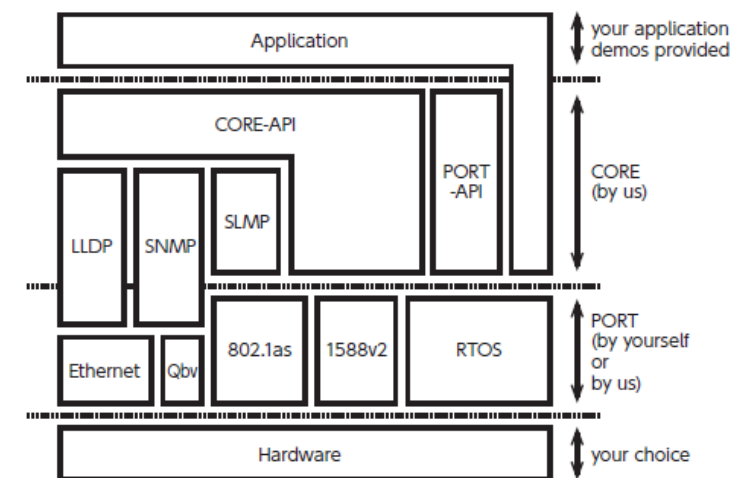

To be certified soon

CC-Link IE TSN software development kit for remote station provided as portable C source code for STM32 (Class B).

A unified porting layer allows easy adaption of the stack to customer specific hardware and software environments. The SDK is self-contained and no further costs are involved for development of a CC-Link IE TSN remote station.

Engineering support (e.g. porting to your platform) is available.

	STM32
OS	FreeRTOS
IDE	STM32CubeIDE or GCC + CMAKE based
TCP/IP stack	lwIP
Devices	STM32F769
TSN	IEEE 802.1AS + IEEE 1588v2 IEEE 802.1Qbv
Ethernet ports	1 (Star)
Speed	100Mbit/s
